

PROOF DAY

A new round of sire summary information comes out April 2nd and yet again there are a few industry updates that you need to know about.

“For Jersey breeders, there will be some exciting new things to make yourself aware of with the April sire summary. Please make sure you realize that every bull will get a new BBR with the April summary. This is needed to accommodate the new Multi-Breed evaluation which will be released for the first time in April and any bull that is below 90BBR will now have the letter “M” after the JPI number. If the animal is 90BBR and above, they will remain in the single breed evaluation. We all are wondering how this will effect things and look forward to April 2nd to see the start of a level playing field,” explained Select Sires Jersey Development Manager Herby Lutz.

Herby also told All West that he’s very excited to see how some of our steadfast Jersey sires will do this proof round, because the daughters he has seen look amazing.

Evangelo Lemonhead Shelly 1607 (VG-82%)
Evangelo Jerseys, Kingsburg, CA

Ahlem Lemonhead Praise 48490 (VG-83%)
Ahlem Farms Partnership, Hilmar, CA

Frank Robinson

Frank Robinson

“An industry-wide favorite right now is 14JE670 LEMONHEAD. Daughters are tall, rugged and good-uddered, making them “standouts” around the world as they are calving for the second time in many countries.

Clover Patch Perry Lynn (VG-82%)
Alan Kozar, Milanburg, OH

Kathy DeBruin

Another proven bull that I have really liked the daughters of is the Dazzler son, 7JE1484 PERRY. His daughters are clean-boned, open-framed dairy cows with awesome rear udder height and shallow udders.

Other ‘genomic giants’ that will be interesting to watch during proof-time are 7JE1529 DOORMAN (really nice-uddered with good strength), 7JE1528 DISCO (in the springing pens now!), 7JE1503 JX RONALDINHO {3} (adequate strength and really good udders), and 7JE1540 JEX STORMCLOUD {4} from our JLS partnership.”

In the Holstein arena, Senior Sire Analyst Kevin Jorgensen told All West that two bulls he’s really excited about are 250HO13267 DUKE and 7HO12602 HANG-

Claynook Dance Duke (VG-85)
Claynook Farms Ltd., New Hamburg, ON, Canada

Gillette Carry Duke (GP-83)
Ferme Gillette Inc.,
Embrun, ON, Canada

Patty Jones

Patty Jones

TIME. “Duke is one of the highest production sires in the breed at over +2500M and +200CFP. They are a bit more correct in the leg set, and a bit better-uddered than either Montross or Supersire. We’re using grandsons of Duke as a sire father already.

HANG-TIME may be Montross' most complete son, as he checks nearly every box – A2A2, BB Kappa Casein, calving ease, +2.74UDC and an extreme component improver. Daughters continue to improve as they're now near the end of their first lactation."

You can read more about Herby and Kevin's comments by visiting the All West website and clicking on the "DiamondCuts e-news" photo. You'll also find up-to-date proof listings there as well!

MAKING HEADLINES

If you want to get enthused about the future of the dairy industry, you only need to venture through All West territory to see what AWESOME things are happening with our juniors! From California to eastern Washington, juniors are showing up, working hard and celebrating together. Take a look!

With over 280 entries, this year's Western Classic Show in Hanford, CA, was one of the biggest in the event's history! Juniors had the chance to compete in judging contests, showmanship and type classes. What an amazing hands-on experience for these youth!

Juniors in Washington got the chance to bid on & buy animals of all breeds at the Springtime Youth Calf Sale in Monroe, Washington. There's nothing like the thrill of participating in a cattle sale, and oh the experiences these kids get!

Oregon juniors are not to be left out! Just after our printing deadline of the Bullhorn, Oregon juniors will be gathering for a juniors-only sale at TMK Creamery in Canby, OR. They will also have the chance to participate in several training workshops.

Be sure to check out our online calendar at www.allwestselectsires.com (in the DiamondCuts e-news section) for junior events popping up this spring and summer! Details are also posted on our Facebook and Instagram pages!
